

U1A1 – Defining Globalization

Performance Outcome

Candidates define globalization and explore the costs, benefits and effects of globalization of education on students, parents, schools, communities, economies and countries

Scope

- Read assigned articles and answer questions posted on activity page
- Record notes on accessible platform of your choice (GDocs, Evernote, etc.)
 - Include a summary of key points, questions you have, and personal impact/response at the bottom of your notes.
 - Synthesize your notes to include three key points supported by the articles, three questions unanswered by the articles, and a description of personal impact. Cite the articles, but also include your own ideas.
- Voicethread on which you discuss your definitions of globalization and neoliberalism

Deliverables

- **Shared notes**
 - Answer article-specific question
 - Include summary of 3 (or so) main points
 - Include unanswered questions
 - Include personal impact – how did these readings change your understanding?
- **Voicethread**
 - We'll just use one Voicethread for the cohort

Discussion

- How would you currently define globalization?
- How does globalization affect international education and visa versa?
