

U1A2 – General Impact of Globalization

Performance Outcome

Candidates analyze the impact of globalization on education and the appeal of international curricula

Scope

- Read assigned articles and answer questions posted on activity page
- Record notes on accessible platform of your choice (GDocs, Evernote, etc.)
 - Synthesize your notes to provide an overview of the relationships between economic, social, political, and educational aspects of globalization of education and to express your view of the impact of globalization on education as a whole.
- Create a visual representation/graphic organizer (e.g., mind map, infographic, or video) based on the synthesis of your notes

Deliverables

- **Share notes**
 - Answers to article-specific questions
 - Synthesis
 - Your views and reflections
 - Citations!
- **Visual representation**

Discussion

- How do you think the processes of globalization have influenced international education?

This is similar to the discussion question for Activity 1, but the emphasis here is on how globalization had impacted the historical growth and direction of international education.
