

# U2A1 – International Schools

## Performance Outcome

Candidates understand the development of English Medium schools, and the impact they are likely to have on the worldwide need for accredited teachers and school leaders over the next 10 – 20 years

# Scope

- Discuss and explore your understanding of international schools
- Research trends in growth of international schools in different world regions
- Present your findings with your best explanations for reported trends
- Use supplied wiki for report (unless you choose otherwise)

# Deliverables

- Wiki pages that combine and present your group's discussions, findings, graphs and other media in an accessible, navigable format
- Citations and references provided in APA format

# Notes

- Remember to cite your sources!
- It's OK to look at previous cohort work, but cite original source
