

U2A2 – Cultural Analysis

Performance Outcome

Candidates analyze their own culture(s) and compare them with other cultures to identify differences in the cultural expectations for high-quality teaching and learning

Scope

- Reflect on your own culture and introduce it to someone from another culture with reference to the models we've looked at
- List your expectations for high-quality education (what does it look like?)
- Identify expectations for high-quality education in the cultures you researched for M13U2A1
- Read the article on cross-cultural communication and discuss with reference to Hofstede or Lewis' work

Deliverables

- Written, audio, or video overview of how your culture can be understood by someone who does not know it
- List of your expectations for high-quality education
- Table of 3 cultures and their expectations for high-quality education
- Summary of 6 fundamental patterns of differences and their relationship to Hofstede or Lewis
- ~~Examples of differences in action (personal experience) and list of 5 actions to increase understanding and resolve differences in the classroom (350-500 words)~~

Notes

- Not requiring What Will You Do #5
