

U1A1

Performance Outcome

To review the clinical rubric and familiarize yourself with the various standards

Scope

- **Read the Clinical Rubric**
- Post two threads on two standards of your choice. Include questions and general thoughts for the standards.
- **Contribute to at least two threads started by others.**
- Write a summary of the discussions on the standards you discussed with your cohort on the Submission page of this activity.

Deliverables

- **At least two threads**
- **At least two comments on others' threads**
- **A summary of your thoughts**

Notes

- Please see the Notes section on the activity page regarding opportunities for your mentor to join sessions and meetings for the purpose of orientation.
