

M7U2A2 – Classroom Management

Performance Outcome

Candidates will demonstrate their understanding of effective classroom management as they plan for their first weeks of clinical practice

Scope

- Revisit Module 4 work on classroom management
- Create a classroom management checklist
- Observe or interview your mentor regarding how they address the items on your checklist
- Write a reflection on how you will address the items on your list

Deliverables

- Checklist of the components of effective classroom management
- Reflection on how you will align your ideas with those already put in practice by your mentor (or improve the management of your your own classroom)

Notes

- This is a great opportunity to take stock of your classroom management style even if you're a seasoned teacher
- Identify those areas you feel weak in and get ideas on how to improve
